NEW MEMBERS

We are in need of new members. If you know someone who enjoys sports and all the functions we have with The Ohio State University Athletics Department in terms of Football and Basketball, ask them to attend a luncheon. We are truly one of the only service clubs that help area High School Athletes through our Scholar Athlete and Scholarship programs. Not one student who is Recognized and receives an award is not appreciative of what we as a club do.

It is a great way to get involved and help us to continue this on going program. We will be planning an event to get new members to a function, so watch for further updates.

The membership application is available for downloading on our web site.
